

This file contains a blank for each word of each verse except for the most frequently used words. This enables many students who have mastered reciting verses using first letters to continue their memorization process by checking their ability to say the verses with fewer hints.

[NKJV](#)

Este archivo contiene un espacio para cada palabra de cada versículo excepto para las palabras más utilizadas. Esto permite que muchos estudiantes que han dominado la recitación de versos usando las primeras letras continúen su proceso de memorización comprobando su capacidad para decir los versos con menos pistas.

[RVR1995](#)

Ce fichier contient un blanc pour chaque mot de chaque verset à l'exception des mots les plus fréquemment utilisés. Cela permet à de nombreux étudiants qui maîtrisent la récitation de versets en utilisant les premières lettres de poursuivre leur processus de mémorisation en vérifiant leur capacité à dire les versets avec moins d'indices.

[LSG](#)

This file contains a blank for each Greek word of each verse except for the most frequently used words. This enables many students who have mastered reciting verses in Greek using first letters to continue their memorization process by checking their ability to say the verses with fewer hints.
