

This file contains the first letter of each word of each verse with space to write the remaining letters of each word. This enables many students to confirm the accuracy of their memory when writing verses.

[NKJV](#)

Este archivo contiene la primera letra de cada palabra de cada verso con espacio para escribir las letras restantes de cada palabra. Esto permite a muchos estudiantes confirmar la precisión de su memoria al escribir versos.

[RVR1995](#)

Ce fichier contient la première lettre de chaque mot de chaque verset avec un espace pour écrire les lettres restantes de chaque mot. Cela permet à de nombreux étudiants de confirmer l'exactitude de leur mémoire lors de l'écriture de versets.

[LSG](#)

This file contains the first letter of each word of each verse in Greek with space to write the remaining letters of each word. This enables many students to confirm the accuracy of their memory when writing verses.
